

A Look Back At 2012

Hard to believe that just 4 months ago we kicked off the school year. In just 4 months we have had the privilege of watching your child grow into curious readers, writers, scientist, geologist, mathematicians, and so much more.

Family Jeopardy

Friday, December 14th at 9am

After the cross country race we invite families to the 2B classroom for an end of the semester jeopardy game.

Parents and students will team up together to answer jeopardy question about things learned this year. Parents don;t worry about knowing all the answer, this is the time for your child to take the lead and answer the questions.

It's a fun way to celebrate everything the second grade has learned so far this year.

For this event we ask that families with the last name beginning with;

A- F Bring in a healthy drinks to share with students (juice boxes, ice tea, etc)

G- M Bring in one thing of cut up fruit or vegetables to share.

N-Z Bring in a healthy snack to share with a few friends (pretzels, crackers, trail mix, etc.)

These items can be dropped off in the classroom prior to the race or brought in
